

The Department of Statistics, Purdue University invites applications for a faculty position beginning August 2016 at the rank of Assistant Professor in the area of Probability.

The Department of Statistics offers a stimulating and nurturing academic environment. More than 35 tenured and tenure-track faculty members direct research programs in a broad-range of areas which include, among others, bioinformatics, computational statistics, computational finance, mathematical statistics, probability, and spatial statistics. Applicants who can interact and collaborate with faculty in one or more of these areas are particularly welcome. Further information about the department is available at

<http://www.stat.purdue.edu>

All applicants should hold a Ph.D. in Statistics or a related field, be committed to excellence in teaching, and have demonstrated strong potential for excellence in research. Responsibilities include conducting advanced research and teaching undergraduate and graduate courses in probability. Salary and benefits are highly competitive. To apply, please visit
