

# Statistical Geneticist-Tenure Track

## University of Arkansas for Medical Sciences

Company Information: The Department of Pediatrics at the University of Arkansas for Medical Sciences provides exceptional children's patient care, education, and research. Through our partnership with Arkansas Children's Hospital, medical knowledge appropriate to the future of the field of pediatrics is promoted through a balanced emphasis on education, research, and health care. The UAMS Department of Pediatrics is the largest department in the UAMS College of Medicine with over 250 faculty members and more than 100 residents and fellows. Arkansas Children's Hospital is among the ten largest children's hospitals in the United States. For more information, please visit <http://arpediatrics.org/research/biostatistics> or the Arkansas Center for Excellence in Birth Defects Research and Prevention's website page at <http://www.arpediatrics.org/research/birth-defects-research-a-prevention>.

Position Title: STATISTICAL GENETICIST

Duties and Responsibilities: The Biostatistics Program in the Department of Pediatrics at UAMS and ACHRI invites applications for a tenure-track faculty position in Biostatistics. The program currently provides support in grant development, protocol development, analysis, and manuscript preparation in a wide array of translational research from the bench to the bedside in the Department of Pediatrics, the Arkansas Children's Hospital, and ACHRI.

Position Qualifications: Qualified candidates must have a doctorate in statistical genetics, biostatistics or statistics completed by the date of faculty appointment. The successful candidate must have experience or specialized training in statistical genetics or genetic epidemiology. Evidence of collaborative research and peer-reviewed publications preferred. Outstanding communication skills, a professional orientation toward service and a strong methodological orientation are required. Faculty appointment will be at the UAMS, Department of Pediatrics.

Salary Range: neg.

Benefits: competitive benefits package including health insurance, dental insurance, 401(k) with excellent employer match, generous PTO, holidays, and more!
