

**FACULTY POSITION**  
**Department of Statistics**  
**University of California at Davis**

The Department of Statistics at the University of California, Davis, invites applications for a full-time Assistant Professor Faculty position in Statistics. All areas of Statistics will be considered. Individuals specializing in statistical methods for large and complex or massive data are especially encouraged to apply. A Ph.D. in Statistics or a related area is required. Candidates must possess (or demonstrate the potential to achieve) a strong record in the areas of research, teaching, and service. Candidates must also possess the ability to teach all lower-division statistics courses, upper-division core courses in statistics, and graduate level statistics courses, and to be strongly committed to providing service to the department, university, and statistics communities.

The start date for this position is July 1, 2016. The position will remain open until filled but to assure full consideration submit a cover letter, curriculum vitae, Statement of Research, and Statement of Teaching (and, if PhD obtained during 2013 or later, transcripts) by November 12, 2015. Submit application on-line via job listing JPF00668 at <https://recruit.ucdavis.edu/apply/JPF00668>

The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability, age or protected veteran status.
