

**Chair**  
**Department of Mathematics and Statistics**

**Vacancy: #15E086**

**Position: #4062**

The University of North Carolina Wilmington invites applications for the position of Chair of the Department of Mathematics and Statistics (<http://www.uncw.edu/math/>). We seek candidates with an outstanding reputation within the academic community who will bring vision and innovative leadership to a multidisciplinary department with both undergraduate and graduate programs. The ideal candidate will have a doctorate in mathematics, statistics, math education, or a related discipline, administrative skills, and a distinguished record in teaching, scholarship, research, and service and the rank of associate or full professor at their home institution; however, the successful candidate must qualify for the rank of full professor at UNCW.

To apply, please complete the online application process available at <http://consensus.uncw.edu>. A letter of application including curriculum vitae, a brief statement of administrative philosophy, a description of research and instructional interests, and contact information for five professional references must be attached to the online application. Microsoft Word or Adobe PDF attachments are required. For questions regarding the online application process, contact Beth Casper at [casperb@uncw.edu](mailto:casperb@uncw.edu) or 910-962-3290. For questions about the position, contact the Search Committee Chair, Dr. David Webster at [webste@uncw.edu](mailto:webste@uncw.edu) or 910-962-3756. Under North Carolina law, applications and related materials are confidential personnel documents and not subject to public release. UNCW conducts criminal background checks on finalists prior to offers of employment. **Priority consideration will be given to applications submitted before March 15, 2015**, but applications will be accepted until the position is filled. The position is anticipated to begin July 1, 2015.

**UNC Wilmington actively fosters a diverse and inclusive working and learning environment and is an equal-opportunity employer. Qualified men and women from all racial, ethnic or other minority groups, protected veterans, and individuals with disabilities are strongly encouraged to apply.**
